Hi Everyone!

My life has been a continuing adventure. In April, I sailed with Royal Caribbean as their guest lecturer. I sailed on my favorite ship, the 'Navigator.' It was a fun two weeks. Our ports were the Canary Islands, Portugal and Spain. I had many great experiences and miracles along the way. It was great meeting with new students. I was able to meet and make some new friends around the world. It was my first transatlantic voyage and surely not the last. I will be lecturing going from Alaska from June 5-17 with Celebrity's, "Millenium."

Thank-you's to: Mike, Diane, Bette, Karen, Andy, Nadia, Kimiko, Nozomu, Ruth, Robert, Ken, Mrs. Perry, Monica, Sally, Darlene (captain's wife), Bobby, Abby (activity director), Tony (great Tenor) Annette and Gary. Thank-you, to those who purchased my books.

My students are doing a great job of continuing on their spiritual journey. We are continuing our Wed. night classes in Brea from 7-8:30 p.m. Anyone is welcomed to join. Our study in May is learning to '**connect our dots.**' Dots are those obvious signs that we discount as coincidence, mistakes or luck.

Life is all about being in 'accountability.' We just have to realize that there are no 'secrets.' No action goes unseen or unaccountable. Let's make all of our actions positive. Everyone receives blessings everyday, we just need to recognize them.

Thank-you Kevin, Sheli, my assistant, for taking care of my home base, Pam, Sharon, C.J. for powerpoint and Noble, my manager, for all you've done to keep me focused on my path. My great "Team Torii" (my dedicated students) who came out to see me at Learning Light (see their pics on my website). May my miracles along my spiritual path be yours as well!
